

DOBES
Usage Request
DOBES-UR-V1

Peter Wittenburg, 19.7.2005

Please specify which data from the DOBES archive you want to use, indicate the purpose and the approximate time you need for your work. It is part of the agreement that the archive receives a copy of all resources that are derived from the requested data – be it publications, additional annotations, grammars, lexicons etc. Before requesting, please, read the Code of Conduct and check whether you can accept the terms mentioned.

Name of Requester

(Please, enter your full name, your affiliation (or Address) and your email address. Name and email address will be used for registration, retrieval and notification purposes so be sure that the specifications are correct)

Full Name:

Affiliation/Address:

Email Address:

Resources Requested

(Please specify the complete metadata paths of the data you want to use. Simply browse in the metadata hierarchy and copy&paste the path information. If a higher node is specified this means that you want access to all data below that node. Several nodes can be specified)

Example1:

IMDI-corpora / DoBeS archive / Trumai Archive / Data / Linguistic / Natural Use / Dialogical / Recorded / Conversation / RG01Baby

This means that the person is interested to make use of the specific session “RG01Baby” of the Trumai Corpus.

Example2:

IMDI-corpora / DoBeS archive / Trumai Archive / Data / Linguistic / Natural Use / Dialogical / Recorded /

This means that the person is interested to make use of all data under the node “.../Recorded” in the Trumai corpus.

Reason for Usage

(Please, indicate the usage of the data. Give a short and specific description of what you intend to do. It has to be in line with the Code of Conduct of the DOBES programme. If the topic of usage will change it will be indicated to the archive, since the request will be limited to the usage indicated here)

--

Example1:

I intend to add a deep syntactic analysis tier to the annotations that are already available for the resource specified. This will be done by a university class at Eastern Michigan University.

Example2:

I intend to write a contribution to the book “Language Developments in the Amazonian Area” that will appear with Morgan-Miller Publishers in 2010 and that is edited by Bernard Cool.

Period of Usage

(Please, indicate roughly the time period when the data will be used. When the period finishes no copies will be retained by the user. If you need an extension of the time period, submit a new request early enough)
